Dear Ms Smith

CLAUSE 11C - REVIEW OF CONTRACTED HOURS - WA HEALTH SYSTEM – UNITED WORKERS UNION (WA) – HOSPITAL SUPPORT WORKERS INDUSTRIAL AGREEMENT 2020

I refer to Mr Kevin Sneddon's email dated 14 June 2021, identifying a typographical error in the WA Health System – United Voice WA – Health Support Workers Industrial Agreement 2020 (**Agreement**).

I can confirm subclause 11C.2 of the Agreement incorrectly references subclause 11A.2(a), whereas it should reference subclause 11B.1(a).

While I do not foresee any issues arising regarding application of this provision, System-wide Industrial Relations (**SWIR**) will advise all health service providers of the incorrect reference. SWIR will further ensure the correct reference is noted on the Department of Health's Awards and Agreements webpage.

If you have further queries regarding the above, or any matters arising which cannot be resolved directly with the health service providers, please do not hesitate to contact me.

Yours sincerely

Karen Callaghan
DIRECTOR
