- (b) Private Practice Cost Allowance will be paid in accordance with the rate prescribed in the Industrial Agreement.

3. PRIVATE PRACTICE

- (1) A Clinical Academic Pathologist is deemed, for the period this Agreement remains in force, to have elected Arrangement A and also to have relinquished all private practice income retention rights and other entitlements in respect of private practice rights exercised in any capacity in a teaching hospital or in any other public sector health care facility.
- (2) The Employer will render accounts for all patients classified as private and other services for which fees may be charged and will retain all monies there from.
- (3) Where, by prior agreement with the Employer, a Pathologist for any reason needs to render an account on his/her own behalf, the Pathologists will determine the fee to be charged in relation to individual private patients and the Employer will provide the practitioner with details of monies raised in the Pathologists name in accordance with the Industrial Agreement.
- (4) The Employer will meet any ongoing requirements for Approved Pathology Provider Fees due under the *Health Insurance Act 1973* (Cth).
- (5) Clinical Academic Pathologists shall not participate in any other pathology practice other than the Employer's, unless alternative arrangements are agreed in writing between the practitioner and the Employer. Subject to the *Public Sector Management Act 1994* (WA), where permission to participate in another pathology practice was given prior to the commencement of this Agreement such approval has continuing effect unless such permission is subsequently withdrawn.
- (6) The Employer will maintain medical indemnity cover at a level sufficient to cover all eventualities arising from all work, whether publicly or privately funded, carried out on behalf of the Employer.
- (7) Notwithstanding the provisions of this Agreement, the Employer and a Pathologist may agree in writing on other arrangements to govern the exercise of rights of private practice
