

Contact list for General Practitioners

December 2021

General enquiries via the Helpdesk	6152 2222
Emergency Department (direct line)	6152 7642

Please note

All emergency or urgent referrals should be discussed with the relevant team during the specified hours rather than being sent to the Emergency Department.

For advice regarding the urgent care of a particular patient, most specialties have a consultant and/or registrar on call 24 hours / 7 days.

Unless otherwise stated below, FSH manages patients aged 14 and above.

Website for GPs

For more information visit <http://fsh.health.wa.gov.au/For-health-professionals/GPs>

FSH outpatients referrals

Outpatient referrals are coordinated through the WA Health Central Referral Service (CRS).

Referrals are allocated according to the patient's residential address, medical condition, the level of care required and the waiting times at various facilities.

Fax: 1300 365 056 Email: centralreferralservice@health.wa.gov.au

FSH referral service

Some referrals are out of scope for the CRS - these should be directed to the FSH Referral Service.

Fax: 6152 9762 Email: FSH.Referrals@health.wa.gov.au

Urgent referrals

GPs should contact the relevant specialty at FSH by telephone (contact details below) and if the patient is accepted a referral should be faxed or emailed to the FSH referral service immediately.
